“ Henry has been a part of my life for the past 45 years. He was more of a surrogate father to me and my cousins. Henry was a good role model and a great man that showed us how to make money working at his car wash. I began working at his car wash when I was about 10 years old he was an amazing man. May God bless the family. Keep your head up Will use all the tools that your dad gave you to be successful. God bless you. Tony
