“ Howard was always there for you to help or listen. That was the kind of man he was.

In recent years he endured lot of responsibility that most would not even begin to take on. That was the kind of man he was. There were times In my life when he saved me. That was the kind of man he was. He will always be remembered as a true family man.

I love you and may peace be with you.

“ I am so sorry for your loss of Howard. The family will miss this man who was a true family man and some we all could go to when we needed help or just and ear to listen. Howard was always for me when I was just a kid and I guess you could say he saved my life.

Thank you Howard and peace be with you.

Love, your second cousin Marion Brown-Beever

Dear Hemphill Family, The bible at Ps.147:3 says that, " Jehovah is healing the broken hearted ones, and is binding up the painful spots." May you find peace in knowing that God can bring you comfort and relief. Please continue to pray and remain faithful. I as well, will keep the entire family lifted up in prayer. Remember that prayer does change things.

*Peace and grace,
Delphine White*
