*Rest easy, Uncle Avon. Your love and care during my younger years, especially after my father's passing, meant the world to me. You weren't just an uncle; you were a mentor and a guiding light, even across the miles between Michigan and Florida.*

*From that first unforgettable trip out of the country to the countless journeys across the nation, you opened my eyes to the world in ways I could never have imagined. I will always cherish the honor of escorting you to your Douglass High School Class of 1962 reunion – such a special group of people.*

*Words can't express my gratitude for the profound role you played in shaping my life's journey. Your kindness, wisdom, and unwavering support truly turned things around for me. I am forever grateful and honored to have had you as my uncle.*

*Your spirit will live on in the Martin family and through your loving wife Sandra, and your children Desmond, Anthony, and Camera. Rest well, my dear Uncle Avon. My wife Juana and I will always love you. Your memory will forever be in our hearts.*
