“ To My Niece, Sheila, Cousins, Larkin and Thomas Family; Our hearts are heavy and aches for all of you. We are praying for your strength today and in the days to come that the Lord will bring you comfort and peace. When your heart is empty, fill it with happy and loving memories of Irvington. It will help you find your smile. Know that you are in our prayers.

Love Auntie Charlene, Uncle Wil and Cousin Jason Hardee

“ Friend, I just don't understand... when you left Detroit and moved in with me for 7months, I wish I could've prepared for today. That call of you telling me that you made it to Nashville and had been on the greyhound all night still rings in my ear 🙏 this is one of the hardest moments right now
