“ My sincere condolences go out to the Smith Family. Irwin was such an incredible person to work with each day. My best memory of Irwin was when he came into the office one day and FILLED an entire cabinet with chocolates, treats, and sweets for the team. He, himself would NEVER touch any of this food because it wasn't organic or healthy in any way! But he loved to make everyone around him happy and this was just one way he managed to do that each day. We miss you very much Irwin, our cabinet and hearts have been empty since you left. Love Alyson A.

“ *My heart is heavy and broken for the Smith family tonight as I learn of Irwin's passing. I only spent an hour with the family but each one of you touched my heart on that flight from New York back to Michigan. I will never forget any of you! I will always remember in the most tragic times all the love of your family shining thru, surrounding Irwin with tremendous love and support and tremendous courage to face his final days. It was my honor and privilege to witness your beautiful family. I will never forget Irwin's grace or his smile. He is at peace. I will continue to keep you all in my thoughts & prayers.*

My most sincere and deepest condolences,
