“ *Throughout my life's journey, I have been blessed to encounter a few very special people along the way. Mr. Mills was one of those special people. Calvin is like a brother to me and with that said his dad Mr. Mills was like a father. He had the ability to light up my heart with his smile wisdom and joyous sense of humor. While Calvin and I were serving in the Navy, he would wish us well on our journey. During his time of transition, I would like to wish my special friend eternal rest and my God keep him in his good graces. My condolences to the family and my you have peace in knowing that your loved one is in a better place.*

*My Appointment  
Dear Family,*

*I had an appointment, was mine alone  
The Savior beckoned, said "my child it's time to come home  
I had long yearned to be with Him  
To see Him face to face and to thank Him for the many victories He  
helped me to win  
I wanted so much to say good bye  
But I didn't want to see you cry  
Though you miss me don't be sad  
I've made it over, come now wipe your tears and be glad  
My life on earth has been well spent  
You've been good to me, I've been content  
This is not the end of our times together  
God has promised, we'll be reunited for ever and ever  
His grace is sufficient, He'll see you through  
If you trust in Him and His will you will do  
So tarry just a little while longer  
Your memories of me will soon make you stronger  
My love for you will always be  
Soon it will once again be you and me  
Endless love  
Dad, granddad, brother, uncle, cousin and friend to many*

*On Oct 1990 the Phillips family was blessed to have the honor and  
privilege of being united with the Mills family through the marriage of  
Calvin Mills and Carmen Phillips. Our memories of your dad are loving,  
kind, considerate and cheerful. It was as if God handpicked him just for  
us and we will always be eternally grateful for the blessing. Our  
thoughts and prayers are with you as you travel this phase of your  
journey knowing that God is, He can and He will hold and comfort you.  
We love you .*

*No Time To Whisper Goodbye*

*You left us so quickly we never had a chance to whisper goodbye  
To tell you how much we loved you, nor to ask you why  
If only we could have held you, could have rocked you gently to sleep  
Then our grief would have been more bearable and less we would  
have to weep*

*There is so much we wanted to say, so much we wanted to do  
So much more time we wanted to spend with you  
We thank God for the years we had you, for the precious memories  
you leave behind*

*For your love that is endless, love that no chain can ever bind  
Because we love you, we release you now to one who loves you best  
Sleep on dear loved one and take your well deserved rest  
We'll join you soon, over there, where there's no more sickness  
sorrows or tears*

*No more growing old with the passing of years  
No more having to say goodbye  
What a joyful reunion that will be for you and I*

*Sorrowfully Your Family*
