“ Omg, my auntie taught me how to really dance to James Brown music, wow...She was always a listening ear when I needed to talk about things that I didn't care about the world knowing, lol..I will miss her so so much and will cherish all my memories of her in my heart throughout my lifetime. Although it is hard to say Goodbye this time because I know i will never talk or see her again, BUT i know now she is suffering no more and all that pain is gone so now she can rest..I know she made it to the right place because I witnessed her Love for God and heard her cry and Repentance that was so real and deeply rooted in her soul.
My Love is with You Auntie Jackie...your favorite niece AJ
