“ *To the family of my dear friend and roommate, Ms. Jacqueline Florence. Jackie as I called her we had some beautiful times here in our room in 410 at Fountain Bleu health Care Facility. And not some good times. But the Lord decided it was time for u to be at rest. I miss u all so much. But God knows best. Be waiting for me ,when it's my time come. So we can fellowship in God's holy church. Love u much, your friend Denise Riley.*

“ *We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Truly sorry for your loss.*

To the family of the late Ms. Jacqueline Florence. I am the friend of Jacqueline, who shared a room with her for the past year. And we shared some good times as well as sad times, and talked about our families. But the most important talk we had in room 410 is that we both love the Lord with our whole hearts. And listening to our gospel music. It truly broke my heart when I was told by her daughter that my friend Miss Jackie had departed this life early on a Sunday morning on Nov. 14. My heart and soul was so sad. And I have cried a many of tears for for u. But through it all I know u are not hurting and suffering no more. R.I. P my sister. And save a seat for me around the throne for me of our heavenly father. Where we will Praise him all day long. Love you as I told u a many of days in room 410.
