“ *To The Hodges Families,*

*I was so sorry to hear the news of Jackie's passing. Our friendship started a very long time ago at Wayne County Community College and the Speakers Association of which Jackie was the President. So began a friendship that lasted through WC3, to The Univ. of Michigan at Dearborn and over many years after. Jackie meant a lot to me and Jessie and the Girls were always foremost in her mind.*

*I'm so happy I got to know her and the amazing life she had.*

*Much Love and thought,*

“ *Dr. Hodges will truly be missed. She was a very classy lady that when she walked it was as if she was gliding across the floor. She did not play and was straight to the point. Her laugh was one of a kind and her smile could light up a room. Thank you for being in my life and for all of the kind words of encouragement. Michele, Tristen "Sunflower", and Corey.*

My thoughts are with you at your time of need.

Dr. Hodges was loved by so many of us here at Wayne County Community College District. When she retired many of us were so sad to see her leave, Dr. Hodges was always a fair person and enjoyed the type of work she did at the college. She would always greet you with a big smile, missing you already. Even though she is gone on to heaven now. She will never ever be forgotten RIP Dr. Hodges.

I am so sorry for the Family of Dr. Jackie Hodges and I am crushed for your loss...

Dr. Hodges, you truly cared about your staff and treated everyone fair. During my struggles, you never looked down on me and remained supportive. You, among others, stuck by me and wasn't ashamed to let anyone know it.

Dr. Hodges you were missed the moment that you retired and took your 1000 watt radiant smile and warm laugh with you!

You are more like a favorite Aunt than a Manager/Supervisor because not only did you care, you definitely showed it and proved it!

You said what you meant and meant what you said!

What a wonderful, classy, and beautiful lady that you are!

Rest in Heaven!
