“ Jackie was my high school classmate and a dear friend for many decades. Her zest for life and compassion for others made her an unforgettable person in the lives of so many people who were blessed to meet her. She was kind, diligent, talented, energetic, and fun. I will miss her beautiful smile and infectious laughter. May she rest in peace and her family be comforted in their sorrow. Betty Sanders

My heartfelt condolences to Tom, his family, all of Jackie's family and her many friends. Her laugh will remain in my memory always. She could bring light to, and engage a business meeting or any one in need. Always a reliable confidant, her manner was "Pure Jackie" : caring, honest, and always available.

It will take a long time to get used to not having her in my life.

“ Our most heartfelt condolences and loving embrace to TJ, extended family and friends of Jacqueline on her passing. As we honor and celebrate her journey of eternal homecoming to our Lord, we have a treasure chest of wonderful memories to reflect upon and share of a beautiful woman with a caring heart. Jackie had the ability to walk into a room with that beautiful smile, positive energy, and bring people together. She made us feel good by being in her presence, and brought joy to those she touched. Jackie truly made the world and us better by just being herself. In love and peace, Glenn and Kathy Hayes.
