“ *To be absent from the body is to be present with the Lord. I would like to express my sincerest condolences to my extended family. I have known this family literally all of my life. Jackie has always been loving and caring and the spirit that she carried will definitely be missed. James and Joe I am praying for you both. I know that this new way of living will not be easy but you have family and friends who are willing to walk this walk with you. I love you guys!!*
