

Mrs. Jacqueline Stewart

May 10, 1953 - July 8, 2015

The Life Of Jackie:

Jacqueline Owens was born May 10, 1953 in Detroit, Michigan to the union of Clara and Shellie Owens. She was the second of two children born to this union who were reared in a wonderful community on a block that gave her a huge extended family.

Jackie accepted Christ as her personal savior at an early age and was baptized as symbol of her confession. She attended Detroit Public Schools and later pursued a career in health care.

Jacqueline was united in holy matrimony to David Stewart on October 6, 1997. They enjoyed movie nights, shopping and family gatherings where she would enjoy her Vernors and good conversation.

To know Jackie was to love her! She was a woman of faith who loved her children, and loved the Lord more. You would never leave her presence or end a telephone conversation without her saying, "Luv you" or, if you happened to tell her first, she's say, "Luv you more!" She touched the lives of many with her commitment and dedication to helping others. She loved and appreciated the beauty of yellow roses.

“ *Jackie and I have been together for over 15 years. We meet as co-workers at Nexiq Technologies and proceeded to followed each other to work at four different companies and even were business partners. Jackie and I have been thru some of the best of times and some of the darkest of times, but she has always been there by my side, as a smile across the room, shoulder to cry on, and even voice of reason- sometimes. Jackie allowed and welcomed me into her family and even placed my daughters under her protective wing. I am honored have Jackie as a co-worker, lunch-buddy, confidant, “road-dawg” but most of all as a very dear friend and my sister from another mother.
“Jackie-Jac” you will be missed.*

“ Jackie saw beauty, love and light in everyone she met. She freely shared her joy for life and made me feel so special. She taught me that no matter what life brings you - God is good. She called me her angel - I know it's because when I was with her I felt like I had wings. But Jackie is the true angel. Her heart is golden. I am blessed to call her friend. Caroline Kunimura
