“ My heart goes out to Jade's family. Losing one at such a young age is more than we can bear. Yet there is a God; He will see you through. He has made a place for Jade in heaven. May her memory never fade. Let her light shine in you and bring you comfort, for she is with her Lord and Savior.

Jade was the type of young lady that would catch your eye the minute she'd walk in the room. She was a joy to work with and to know! She will be missed by many.

“ As I think back on where this began, it just happened we weren't introduced or shook hands. But I knew we would be good friends. They say true friends are hard to come by and I knew I had a friend in you. But without you here what am I to do? I'll never forget our talks over wine,late night rides and laughing until we cried. My trips won't be the same without including you in everything I wanted to do. We had such a bond I saw so much of me in you that's what makes my memories so fond of you. I will forever miss you BUT I will NEVER say goodbye I'll simply say see you soon I LOVE YOU
