“ Yolanda and family. We pray God grant his peace during the family's time of bereavement. A special prayer for your mother, Luzell C. Bacon to receive the only peace that God can give her. May the family surround her with love during the loss of her husband. I remember even when he was ill they made it to Jani's 8th grade graduation. Something she will never forget. You will always have special memories to keep alive in your heart.
God Bless You All!
