“ Ms. Jean, my deepest heartfelt condolences go out to you and your family during this time of great loss. My prayers are with you and yours. I know how important family is to you and how much you love your sons, as you talk about them all the time. Hold onto your faith. God will give you strength to get through this difficult time. In time those tears will turn into laughter as you recall all the happier times when you were filled with so much joy. May God uplift your spirit and keep you focused on Him and His great love for you. God's got this! You and your family are in my prayers.
