“ You were an awesome person and im blessed to have been apart of your life although only for a short time. I sure will miss all the jokes and funny things you would say just to make situations more easy, your memories are what you gave us to hold forever, and although your at home i will never forget you. Till we meet again rest in paradise bro. Although we walk through the shadow of the valley of death we shall fear no evil for you are with me thy rod and thy staff shall comfort me
