

## Mr. James Theodore McNulty, Jr

November 10, 1954 - January 17, 2014

### The Journey:

James Theodore McNulty Jr. was born on November 10, 1954 in Detroit, Michigan to the late Betty and James McNulty.

James grew up in Detroit, and was educated in the Detroit Public Schools system. He graduated from Mumford High School in 1972. After graduation, he began working at Chrysler for over 30 years.

James met the love of his life, Stephanie. They fell in love and they were married on January 16, 1981. From this marriage, they had two children, Erin and James III.

James was raised as one of Jehovah's Witnesses and dedicated his life and symbolized this by water baptism on June 14, 1997. He loved Jehovah and looked forward to the day when he would once again see his loved ones who had preceded him in death. He would often speak of this occasion when he would once again see his "Mom, Dad, Grandma and Granddad Walls," all of whom preceded him in death.

Those who knew James, knew he was a sensitive and kind-hearted person. He also was a very hard working family man. He truly loved his family. That was the most important thing in his life, next to his love for Jehovah. He

always made sure his family had everything they needed. They wanted for nothing. He loved his wife, children and grandchildren and extended family. He also showed love for his mother-in-law, often stopping by to check on her during the day, to see if she needed anything.

James had a passion for carpentry. This was his hobby. Even though he was not licensed in this trade, he was a very highly skilled carpenter. He enjoyed spending hours making things with his hands and assembling them and when he finished, it would truly be a piece of art. He was a perfectionist when it came to his hobby. People would tell him he had a lovely home, but to James, it had to have "his" finishing touch. His goal was to finish redesigning his home, but his illness kept him from completing this assignment.
