“ I will always remember Jimmy for his kind heart. My husband, along with my good friend Bennetta and Jimmy traveled to Jamaica. My husband was terminally ill. Jimmy was so helpful, he made sure my husband was safe getting on and off the plane, also checking on my husband so I could enjoy some of the amenities. Rest in peace Jimmy.

“ I met Jimmy in 1975 when I dated his best friend and we shared many memories. I'll always remember how excited he was to meet Bennetta! Theirs became the relationship he had longed for. I'll never forget his kindness and his loving devotion, as a single parent, to his two little girls. Like a big brother, he always gave me subtle but good advice. Most of all, I will miss his annual visits just to check on me and reminisce about the good old days. <3
