“ To the family , I'm at a loss of words still , I'm going to miss my friend Jam, 20 years of friendship , trips to Oahu and Maui and others. I'm going to miss that smile, and her big hugs. God crafted you Jam when he made you to be like no one else period. Your generous heart of helping others , I'm going to miss going to brunch and lunch, your random phone calls to just go out and enjoy life just because . I'm just glad I got to give you flowers while you were here , I loved just popping up on you just to give you flowers for no reason at all . Thank you for being a friend. You and my best friend Tyrone are back together again . Until we meet again . I'll bring you champagne your favorite !! Love Shawni ❤️
