“ Cindy I can't believe that you left with out saying good bye. You always had this sparkle in your eyes with a beautiful smile. I will miss seeing you pull up in your red convertible with my girl Keisha. Nobody could tell y'all nothing when you were together. I'm so sorry that you had to leave this life so soon but God made an appointment that no one could postpone. I love you Cindy and I promise to listen to all Keisha's stories that you told her to never tell.
