“ *We are saddened by your loss and our thoughts and prayers are with your family. I worked with Janet for many years leading up to her retirement. Through her mastery of Japanese, poetry and a perfectionist at heart. Janet was one of a kind. Rest in Peace Queen*

“ *Our condolences to the family. Didn't know her personally, but spent many hours with her late husband Elvin. Lighting a candle in her memory...*

**Leroy Bray** - February 04, 2022 at 08:07 PM

“ *I was a law school classmate of Janet's and, although we haven't seen each other often since our law school days since we lived on opposite parts of the country, I remember fondly Janet's lightning quick intelligence, her hearty laughter, her willingness to speak her mind and her work ethic even as a student. I offer my condolences to the family and I hope your fond memories of Janet will provide you with comfort in the coming days.*

“ Janet, my sister-in-law, will forever be missed. She was truly and amazing woman, wife, mother, sister and friend. I am sad that our time together was cut short.

“ I have known Janet since we started Michigan Law School in 1975. We became fast friends and worked together in a Moot Court competition. Since graduation, we have stayed close -- even though I lived a distance away -- and returned to the Law School for our periodic reunions together. Janet's smile and her memorable laugh will always energize me. She was a joy -- a highly competitive, super intelligent, and compassionate joy. I miss her dearly.

“ Janet, this is from one poet to another, it was a pleasure to read your poetry. It has also been my pleasure to work with you. I'm grateful I got to know you. You will be missed. May your family and friends find comfort from their grief.
