“ *Janet, we have been sisters all our life, and I smile when I look around my home at the many things you have given me over the years. I smile when I think about the life we have shared together as sisters and friends you have a heart of gold my sister. I will miss your smile and laughter so much, but I hope I will see you again one day. No one can ever replace you in my heart.
RIPIECE MY SISTA! I Love you more than you will ever know.

“ *I want to offer my heart felt condolence on the loss of your Mother, sister, and my friend. God knows best and she is definitely in a better place along side her Mother and Father. Janet was a beautiful and loving person and she never met a stranger, so to the La Roach family take comfort in knowing that she is in a better place.

“ Danny please accept my deep condolences on the loss of your sister. Know for sure that her time here was through and that her stay was long enough to create beautiful memories for you to hold and cherish. Ur comfort will be in the knowledge that you will meet with her again, and in a place that will make this present pain pale in comparison. Smile because of what you had in your love for your sister. Peace.
