“ *Janice, Janice, Janice.....oh, how I will miss you! You were everything and more to me. Thank you for loving me unconditionally. We shared so many good times together. As I think back over the years, you were right there, protecting me, guiding me, listening to me, loving me. I want to thank you from the bottom of my heart for teaching me so much about life. I will miss you with every breath and every beat of my heart.*

*Love you forever and a day,*

“ Hey Meisha, you and your family are in my prayers. I know it has to be hard to lose a parent, but trust God and he will be your comforter.

“ My sympathy to the family. When death strikes the pain and grief can be intense. Mere words cannot convey the overwhelming feeling of disbelief that can result from the death of a loved one. May it comfort you to know that God promises that the dead will live again.-Isaiah 26:19

“ One of the most memorable moments is when we were neighbors on Edinborough, your house was the "fun house". You guys had all the good snacks and you even let us order videos off the "BOX". Even when you moved away, whenever we linked back up, nothing had changed. You've always treated us like family. For that, I am forever grateful. Ill never forget you. I love you, rest peacefully Queen.
