“ Janice was my first IRS contact when I started with V.I.T.A. She was the none who instilled the desired to provide accurate preparation to the clients. In addition, I watched her positive attitude and strength through her medical issues and desire to not let the medical issues interfere with her work. She will always hold a special place in my memories.

“ WOW! Jan, it still seems hard to comprehend but seeing your name on here makes it real. I know one thing, dad met you at those gates and what a reunion it must have been. I pray peace over our family and that your girls will go on in the spirit of love and much success as you and Johnny have raised them in the Word and God will always be there hedge of protection and guidance. We will look after mom and each other as you would want. But that won't be hard because we have such a loving, God fearing family. So now time to celebrate your life, we're already missing you but you'll never be far and always in our hearts. I thank God for your life legacy and another ANGEL to look after us.

Your sister in-love
