“ *To the family and friends of Janis. I was a clerk at the Southfield Post Office, I retired two years ago. Janis was so sweet and kind. It was cute because she would say, "good morning Janice" and I would reply "good morning Janis! We both would laugh. May God be with you all in comfort. I know she will be MISSED. “ *My thoughts and prayers for the family. What a great loss. I started at the Birmingham Post Office with you and then our group was split and sent to Southfield PO. We had so many laughs and giggles as we worked through our PTF years. You have been such a kind soul and have earned your wings. Please watch over your daughter and family as they grieve your loss. I will miss you my friend. Nan Millen.*
