“ *Man this is extremely unbelievable to me, my childhood friend.... Word's can't express this feeling man, I'm sick and I can only imagine how the family feel which I wish I could've been there for but due to the distance I can't physically be there. I love you so much Jarvis and I know I'll see you again on the other side, man you're heart was so pure and you had a beautiful soul.. I just can't wrap my mind around this. I love you forever and always... Nikki* ☐
