“ *Cuz, it seems like yesterday since I've last seen you. Much to my surprise it was only two weeks ago! Standing in the kitchen talking about various local issues within the Detroit News. We talked about my son's music stating that he got talent, and to tell him, and I did!! Texted you once I made it back to Arizona expressing it was good seeing you. I said that I would not keep you long. I'm going to let you get back to your YouTube. 🤔 you asked how did I know you were on YouTube? I said, "Thats where you said you go to research your information." We laugh! Now, I have to say good bye for now. Until we meet again put on your wings and continue to watch YouTube. Love you, Cuz 😊🥰🙏❤️*
