“ My name is Stephanie and Je Toi was a client of mine at work. I (as well as many other amazing vet techs) took care of her dogs Denim and Bella. We are heartbroken and devastated to hear of Je Toi’s passing. She was truly a light in this world and made a big impression on us all. We love you, rest in power queen.

“ My deepest condolences and much much love to all of Je Toi's loved ones. I worked with Je Toi at the University of Michigan's Campus Farm for three years when we were in undergrad, and she was such an amazing, thoughtful, and hardworking person. She always had the warmest smile to share and is genuinely one of the sweetest people I have ever met. Attached is a photo I have of her when we were harvesting tomatoes together at the Campus Farm.

Peace and Love, Carly Sharp
