“ Jeanette Glosson was a beacon of light, love and support for many! She was a faithful prayer warrior and a source of Gods strength. She always told my family, if I have a bean to eat, you have a bean to eat and she lived that out! Her words of wisdom about being a wife, mother and woman of God will live with me forever! My prayers and love go her girls, the lives of her life and all who will miss her presence. She is now with Jesus!

“ Mrs. Jeanette Glosson was a wonderful woman of faith and encouragement. She was quick to pray and speak the words of the scripture to those of us who needed love and support. She always told my family, “ If I have a bean, you have a bean” and she lived that saying out when she opened her home and her heart to us. I will forever be grateful for the love, correction, prayers, and the wisdom that she shared with me as a young wife, mother and minister. Oh how I will miss our talks. My love and prayers will always be extended to you all, Shawn, Nikki and Yolanda. Thank you for sharing your mother with all of us. She has fought the good fight, finished her course and now is receiving her reward.
