

## Ms. Jeanne Horne

October 20, 1943 - August 14, 2015

In Loving Memory Of Ms. Jeanne Horne:

Jeanne Horne was born on October 20, 1943 in Atlanta, Georgia to the late Easter Mae Lurry-Horne. She was the only the child born from this union. She confessed Christ at an early age. Later, her family relocated to Detroit, Michigan. She attended and graduated from Northwestern High School and attended Wayne County Community College. She became employed in the home health care field for many years.

Jeanne was well known for her loving and caring for people. She was the neighborhood mom and grandmom. She was a firm believer of women's equal rights. She was exceptionally known for her phenomenal cooking. She fried delicious chicken and made delightful peach cobbler for many neighbors, family, and friends.

In 2010, her true strength declined with a stroke in which her daughter, Yolonda, took care of her mother around the clock at home with help from her brothers, family and close friends.
