“ *Dear Family, especially to the son and daughter. These are hard times for your heart; cry ...its good for YOU. I just lost my mom and I am an adult and I still cry.*

Your father Jeff, was hired by me as a Transportation driver; and he became a friend. HE loved his SON and DAUGHTER truly! Son, he has great expectations for you and your future. He spoke of his daughter often with a big grin!

My last conversation with him, was full of strength and strong will to endure til the end. He was a great giant, with excellent people and negotiation skills for peace among co-workers.

God this family from mine to yours.....

Amen
