“ I will always remember Jenine's dedication to the residents of Wellness House of Michigan, She helped them with shopping, cleaning,, cooking, gardening, playing dominoes & other games. She always had a great attitude, sense of humor, and a big smile. She was a wonderful, dependable, person to work with I loved her compassion & willingness to go the extra mile, always without complaints. Sometimes including her three kids in some activities. I've always thought of Jenine as a dear friend. When I no longer worked with her, about fifteen years ago, we would meet for lunch and call each other to catch up. I send my love to Aletha, Christopher, and Jeremy, and her extended family. I know she loved her family and often told me about many of you, especially her children! Jenine will always be remembered and loved. She will be deeply missed.
