“ *Jerome was always sugar sharp and tailored to a T....Immaculate in appearance and bold and dynamic in business. Very comical and had that little snicker and giggle to make you laugh. He will be well remembered. His time ended on Earth but we will see him again in the Holyland. His spirit shines on all of his loved ones here. It was very ironic because the day he passed away I had a dream about him and I saw him and he didnt say a word just smiled. I awakened and said I was going to call him that day but he had made his transition already. Maybe that was his way to say goodbye. Truly a blessing yo us all and he will be missed.*
