*Jerry, I will never forget the kindness you gave to me when I was both young and new in the Central Pharmacy Department at Harper Hospital. You were always kind and lifted the heavy boxes for me. I have never forgot you and and pray that the Lord will give your family peace beyond all human understanding. Harper Hospital will forever be thankful for the service you gave to us. I will never forget you Jerry.

“ Rest in peace, Jerry. Thank you for the good times. Your memory lives on through your children. For me, all of our son's positive attributes came from you. I will miss your earthly presence. Especially the random calls telling me everything I am doing wrong. But, when I look in your son's eyes, it will always be like you are still here with us. Thank you for giving me that part of you. Love Denise.
