“ *I just heard of Jesse's passing. He was such a nice man. He taught me so much about working in a manufacturing plant and was always willing to answer my questions and share his knowledge. He was so supportive. I will always be so grateful for that. When I moved to a position at Ford World Headquarters, I always looked forward to seeing him at the Black History Month event where we would catch up on each other's lives. He had a wonderful spirit. I will always have fond memories of him. I send my sympathy and prayers to his family. God bless you.*

“ From Bernie Jones. Frances, you and your family have been my extended family since Jesse was the first person to invite me to visit your home. I had just joined Ford and being from Houston, the Detroit culture and weather was totally different. Jesse became my guide and mentor early and I grew to greatly depending on his wisdom. Although I left after 5 years and returned home, we have continued our friendship of over 40 years. I love you guys and know that not one day will pass when you will not be in my prayers. God Bless!

“ What can I say, your family and my have been more than friends, I consider y'all my family. Didn't know this would be so hard because I know so much to say. So I'll just say you were a good man Jessie, husband, father and provider. You always wanted the best for your family and didn't know that with you they had the best already. You will be missed. I will look after Francis my sister, you are in such a better place, no more pain. Don't have Hollow about the grass anymore, just Rest In Peace Because you were the best at what you did and you did it all. I hope Francis don't get angry but I love you to because you were such a good man. And friend. Until we meet again. Rest my friend.

“ *Francis and Family I know it's been a long road to walk when a love one is ill. But, through it all the Lord stands there besides you to brace you up. You all have been great caregivers for Brother Jesse. Now he's in the care of the one we all long to see when it's our time to go to our ever lasting home with The Lord.
Peace, Comfort & Love be with you.
