“ Jesse always whistled a specific little tune at work at Weather King Windows in Detroit. I worked there for 10 years. I would bring in sample tastes food that i cooked at home like pork chops and chicken and rice... Jesse kept a bottle of Franks Hot sauce in the lunchroom fridge, and a few times Jesse brought in roasted raccoon meat, or at least thats what he told us it was. The bones were very odd so i believed him. Jesse was real good to me, just like he was to everyone else. He liked that i was a long haired rock n roll guitar player and asked me if i ever smashed my guitar on stage. Jesse laughed about it and told me he liked that. His sense of humor was fun loving !

“ We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. With caring thoughts.

“ To Mr. Jesse family and friends, good morning my name is Lori. I worked with Mr. Jesse at Weather King Windows and Doors. I only been there a year, within that year I got to know Mr. Jesse. He was a kind and awesome human being. He made us laugh and cry at work. Y'all have my family deepest condolences.
