“ *My deepest condolences to the family and friends of Jessica's, her life was ended far too soon. Jess will be remembered fondly for her incredible sense of humor and her tough exterior, which belied a heart of gold. Her absence will be keenly felt, she will be greatly missed by all who got the honor to know her.*

Jess and I worked together for years in our lifeguarding days and had gotten real close. She always kept it real and was truly a friend you could count on. I will cherish all the memories we shared and will remember all the good times we had. #opplgfl

*May she rest in paradise <3
