“ *To the family and friends of Jewel. I met Jewel a long time ago. My family the "Morrison's" grew up on Yosemite and Joy Rd. I remember having a lot of laughs with Jewel, her being a fun and kind person. I know we graduate from Mackenzie High together but can't recall if we went to McKerrow Elementary together. I found out about her transition a few days before I attended the funeral of childhood friend's mother on January 13. My prayers are with you as I remember my childhood friend.

“ *My condolences go out to you and your family. I know losing a loved one can be difficult, which is why it's so important to lean on the God of all comfort as mentioned at 2Corinthians 1:3,4. I hope my words were of some encouragement.*

“ *Jewel will be sincerely missed. She was so full of life and so much fun to be around. I'm so glad that she was able to attend the Gaston Reunion in Mississippi in 2013. It meant a lot to her and also to all of us here. Much love to all of my Detroit family - - - Kim*
