“*Jewel lived up to her name. She was a jewel. I had troubles about 14 years ago. I did not know what to do. I prayed and prayed and asked God what to do. I heard a voice and it said call Jewel Sumlin. I had a to call a few people to get her number since I had not seen or heard from her since I left the Wayne County Intermediate School District in 1993 and the number I had did not work any longer. I finally got reached her. I explained my situation and she helped me. I will never forget that. I think God has Jewel in a very good spot because she was an excellent, caring person.*”
