“ *The most painful good byes are the ones never said or explained. Just know that the pain you are experiencing will fade, but the memories you have of him will always be in your heart forever. They may bring a smile to your face or a chuckle in your heart, but will be yours, until the end of time.*

*You loved him but God loved him more.*

*May God Bless Each of You*

“ *I would like to offer my sincerest condolences to the Sharp family during this difficult time .I hope that you will find comfort and peace while reflecting on cherished memories shared with Jimmy. I hope also that you will find comfort in God's promises for the future.He has promised to totally eradicate death and the emotional pain often associated with losing a dear loved one in death. (Rev21.4)He has also promised a grand day when all of our family members that are in his memory will be ressurected to life on a paradise on earth. (John5:28,29)What a joy it will be to welcome them back experiencing the excitement that Lazarus family felt during his resurrection by Jesus.I hope that you will find comfort reflecting on God's promises for the future*
