“ *A beautiful person gone too soon. Jo Ann and I have the same name, we hit it off the first time we met, we not only have the same name, but we were somewhat alike due to our work ethic and getting things done. Even though we only saw each other once a year, we always had a lot to talk about. Jo Ann rest in heaven your job is done here. Love always Jo Ann Kinney-Williams*

“ To my family I'm asking God to keep a shield of prayers over all of us during this time of grief, JoAnn was my gma niece her mom was my gma big sister so she was my second cousin and I think I was 9 or 10 when I first met my cousin and we became real close and I just can't believe she is gone when I look to my left there was her sister Barbara and when I look to my right there was JoAnn and people use to ask me if they were twins, I'm from Cleveland Ohio and my mom was real sick she was in a fire in 2018, and I couldn't get her to eat so when JoAnn and sister Barbara came over and the both of them were light Angels to my mom and JoAnn got her to eat and that was a special memory that will always be a part of my heart, and one day we were at a gathering and I was cold and she took off her scarf and said here little cousin she wrapped me up and she said now you can be warm and I said what about you she said I will be fine, I'm going to miss our conversations ❤️😭💋🙏🙏, God Be with Us Always I love you forever Cousin JoAnn from your little cousin Lenora Love bka peanut ❤️
