“ *In the natural my meeting Pastor Joe and Lady Cynthia should of never happened. But GOD! It was destined to be. I sat under this man of God as my teacher, my Pastor, and my friend. I listened as he poured out his vision, his heart and his love for God. And I listened as God in return poured out His vision, His wisdom and His love through him. I have been so blessed to have him in my life. He will be greatly missed. But, never ever forgotten. He will always be with those that he touched.*

“ *I will always remember how supportive he has been to my parents over the years and the last time we spent time together we laughed for hours and at the end he spoke into my life to enter linto ministry and keep it real and joyful. I will truly miss him. R.I P. DOC!*
