“ *Joel was a good friend to Marco and me for years. He was an amazing young man who kept a smile on our faces. My husband and I will miss him dearly. Although time and distance have kept us apart, Joel will always remain in our hearts. We are ever so grateful for the time we shared with Joel. Joel brought the meaning of laughter to our journey in this life and we are most grateful to have shared the same path as Joel Rufus for a brief moment in time. We will always remember our friend Joel S. Rufus. Rest from your work dear friend, we look forward to the great resurrection!*

“ I'm Ursula Conner but Joel called me Hill for my maiden name. Joel was like my big brother, and always made me feel protected, a very valued and big hearted friend til he went home. Loved and remembered always his friends, Ursula Conner and also gone home friend Janet McMurtry.
