

Mr. John Allen, IV

February 28, 1988 - January 8, 2021

In Loving Memory Of:

John Allen IV

was born on February 28th 1988 in Detroit MI, to June Kelly Griffin and John Allen III. John Allen IV, affectionately nicknamed “Johnny” was known by his friends as “JA”, “Big John”, “JA Baby” and last but not least “You Cheapness” by his grandmother Terry H. Jones (deceased 2016). John was very loving and lived his life to the fullest. John enjoyed playing games such as cards, pool and anything related to sports, especially football. He enjoyed spending time with his family and wasn’t afraid to share his loving form of sarcasm that he delivered with the most beautiful grin.

John was a known jokester, he loved to make people laugh. Even if the situation was dire, he’d find a way to make you laugh. John didn’t ask for permission, he asked for forgiveness. He led with his heart and took care of those that he loved.

John attended Cooley High school in Detroit, MI where he played football as a defensive end, wearing the #61 jersey. John had a very competitive spirit which strengthened and intensified his growing popularity. In the fall of 2006 John attended Saginaw Valley University in Saginaw, MI, after college John took an interest in a variety of career choices but discovered a passion for implementing safety practices for industrial companies. After years of working in this field, he obtained many skills and certifications which served as a catalyst for opening his own business in the environmental safety industry.

Most recently John worked for Alberici Constructors and in 2020 he started his own environmental safety company called Allen Pro Safety. John built his company from the ground up; through ambition, willingness and perseverance John was able to achieve entrepreneurial success within a short period. This was a huge accomplishment for John, it made him very proud as well as his family and friends.

“ Johnathan, we have so many memories together. I can't believe I used to write you letters and make you read them & now Im writing to honor your memory.

My heart is broken.

This isn't fair.

I don't want to accept this and I shouldn't have to.

I will always love you & be proud of you man.

I should have expressed this more, but I hope you genuinely knew.

I miss you so much already and I will never forget you.

My life will NEVER be the same & I will NEVER get over this forced reality.

Im trying to be strong John, but you know "I'm a punk" as you would say. I need your help. Truly, I do.

My condolences to all affected by this loss. I really wish I could offer more words of comfort but I'm struggling to find them.

Rest In Peace Johnathan.. I know , I know, "that's not my name Pearl" ... Til we meet again

“ There are no words to express the sorrow in our hearts. Continue to rely on God and know that he hears your prayers, because he cares for you. Truly sorry for your loss.
