“ *I am going to miss you dad. I have a lot of good memories of you I can remember when you bought me my first bike it was pink ( and I loved it) I road that bike proud & u watch me smiling that whole day or those car rides over to grandpa Jack house. You always made sure we had fun with you & those are the memories I will cherish for the rest of my life. I feel a lot of pain & hurt because I can't be with you on your finale journey but I know we will meet again. So to me this is not good bye dad So until we meet again give my grandma grace & my sister Shawn a hug & kiss. love you forever.your daughter Shearee Evans*

“ One of my favorite memories of my father is when we would walk to  
school and he would surprise us at meet us half way by the railroad  
tracks. We would all walk the rest of the way to school and just have  
a good time together. ????

“ Rest easy my Dear Dad. I love and miss you so much. You taught  
me a lot and I will never forget. Even though my heart is broken, I  
know you are finally at peace. I find some comfort in that. Life to me  
will never be the same. Until we meet again. Always and forever.
