“ To Auntie Cozella, Tara, Terrance and their families:

When I visited you last August, it was a blessing to see all and especially your families. God allowed Uncle to share in the love and lives of great grandbabies which is a blessing in itself.

I want to say that my Uncle whom we affectionately called "Uncle Bubba" ministered to me and gave me answers to so many questions I had wrestled with most of my life. God allowed him to minister to me by releasing childhood hurts, pains and joys through his kind words, wisdom and knowledge that God had given him to share with me. I do believe that my trip was ordained by God for our visits to help me grow more into the Woman Of God that he has designed for me to be. Uncle Bubba was able to do this. Thank you Lord for My Uncle Bubba pouring into my life.

We didn't talk often but he knew we LOVED him dearly. I remember one day we were on the phone laughing and talking for almost two hours. It felt good to hear the gusto laughter.

I didn't realized that he use to babysit me and often told me how pretty and spoiled I was with his sweet laughter. I thanked him for taking care of me and he smiled.

I will never forget his smiles and funny sense of humor. Him being a great Man of God and Statute will be forever in our hearts.

We will always miss this TREASURE in him that God allowed to be with us for almost 80 yrs. Praise the Lord!

He told me that he was ready to go home to be with God. He had prepared himself many years ago for his journey on 31 Mar 2017.

Thanks Uncle Bubba for ministering, loving and sharing some

special moments with me when I visited you. Thanks for allowing me to minister and pray with and over you.

As I departed his room, he told me that he LOVED me and I said repeated the same to him and walked away in tears.

Thanks for loving ALL of your families!!!!!!

You're resting now but you will never be forgotten.....

Your Niece,

Mrs. Angela McLaughlin Mitchell
