“ *If you know John you know he likes to drive fast. I remember getting my second car and I would skip going to see my friends to hang with him. We were at Granny Gibson house and he made me take the lodge all the way to Greektown driving well above the speed limit. That day he taught me how to drive fast too. He always made sure I was safe with him and had a good time. I never called to say I'm coming I just always showed up and he always made time. I love you cousin and will miss our adventures. I'll keep driving fast and thinking of you.*

“ *Little Jay is who I knew as, lol, I remember when your Mom was carrying and when your God mommy called and told me she had you. I love seeing you every July 4th hugging you, laughing with, and talking to you if only for 5 minutes about your goings on. I miss you little cousin and I'm thankful I got a chance to see you again this year July 4th 2023 is not going to be the same, I won't be able to stand in the dining room window and watch you zip up into a parking space and float out the car like you got somewhere else to be but you really want to be with us. I'm going to miss young man. Love Always, Nikki*
