“ *John I'm so sorry that you had to leave the way you did. 😞 We did not even get to see you one last time. Remembering the times of you and Pauline and how you guys use to be out there in that yard arguing over the flowers, who's going to plant what where. The Barbecues you and Pauline use to have was nice. After your wife passed you seemed to just go right down the drain. There's an old saying they say you lay down with dogs you wake up with fleas. You play with fire your ass Will get burnt. You mess with dirty dogs, your ass will get bit. I am just so sorry you had to go the way that you did I pray that your soul Rest In Peace.....*
