“ John, John, John, My dear nephew, I miss you so much auntie will miss your voice, laughter, and even making me smile when my days were gray it seems like you knew what to say to put a smile on my face. I say to myself know whom will I have to take your place guess what there will never be another Mr. John Otis Hill to take your place. I 'am praying for you each and every day that your soul is at peace, because you had a relationship with Jesus and you knew that bible we discussed the bible together all of the time. I will keep you dear to my heart always and forever, I will miss you. "AS YOU WOULD SAY BACK AT THE RANCH"(smile).
Love you,

“ Not to play favorites, but John Otis was certainly a favorite of one of my nephews. He was always proud where he came from and wore the Hill name proudly. I thank John for that and will remember him with warmth in my heart during this sorrowful time. I pray for the entire Hill Family that we will find peace in John's passing by remember all the good in him and the love we all share for him. John will be truly missed.
