“ *God has a plan for us. We are never sure what he may expect of us totally. Your Dad ,Larry was a great man that I never got to meet. He brought you into to this world and made you who you are today and of course Mom too. God has another Angel by your side. Always remember that he is always near by you and he can still hear you. God Bless you and your whole family.*

“ *God never hurts us needlessly  
And he never wastes our pain,  
For every loss he sends to us  
Is followed by rich gain  
And when we count the blessings  
That God has so freely sent,  
We will find no cause for misgiving  
And no time to lament.*
